

When it comes to LTL, CTS is a game changer

Making gains with LTL shipments? It's like facing a **fierce defense**—endless details, countless complexities, and swift moves from major carriers often leave shippers feeling like they're stuck on the sidelines during rate negotiations.

**Capital
Transportation
Services**

AN HTL FREIGHT COMPANY

What if you could tackle your freight challenges head-on and score 10% - 20% in savings—without any service compromises or operational shifts?

**Go The
Distance.**

TAKE A PAGE FROM OUR PLAYBOOK:

CTS offers a winning strategy that combines an exclusive buying consortium and a rock-solid transportation management game. Imagine having the muscle of millions in shipping volume on your side – that’s the kind of leverage we bring to the table, securing unbeatable rates that solo players can only dream of. We:

A true partnership – many of our customers have been with us for decades

OUR SERVICES INCLUDE:

Web-Based Transportation Management Software (TMS)	International Shipment Arrangements and Processing
LTL Carrier Rate Negotiations	LTL Audit and Recovery
Charge-back Avoidance	Shipment Visibility
Truckload Shipments	Financial Reporting
Spend Evaluation	Freight Payment
Inbound Vendor Routing and Compliance	Air and Expedited Shipments

“What impresses me about CTS is they continually keep us more than competitive year after year with the marketplace.”

– Director of Distribution

Ready to leave the complexities and frustrations of LTL behind?

Join forces with CTS and see how it feels to be an MVP in the logistics league.
